August 2014

Dear QEC/KCHSS friend

Reunion 2014 (*Please inform all your ex-college friends that you are still in touch with*).

This year's QE(K)A Reunion is planned for 4th October and, as usual, will commence at 10.30 with coffee (probably in the Small Council/Committee Room). The talk by our guest speaker will be in a nearby lecture theatre at 11.30 and this will be followed by a buffet lunch with wine (probably in the River Room on the first floor). Details are yet to be finalised but the locations will be in the main building of King's Strand campus and will be signposted from the entrance.

This year our guest speaker will be **Professor Seamus Higson (QEC Chemistry 1984-87)**. His talk is entitled '*A personal journey through the ever changing UK higher education sector and framework for research of the past twenty years*' - a theme that has affected almost everyone directly or indirectly.

If you are able to attend, please complete the booking form and send it with payment to the membership secretary as soon as possible. Even if you cannot attend yourself, please forward this invitation to anyone (staff or student) from the College that you are still in touch with and remember that you can also bring named guests.

Please mention your name (including maiden name where applicable), course and years at the College.

Envoy 2014

If you are receiving the hard copy version of this letter and are entitled, please find enclosed your hard-copy, black and white version of ENVOY 2014. We extend our thanks, once again, to the numerous contributors and to Lyn Embling for editing and producing the latest issue of our annual newsletter.

If you receive this letter electronically, then Envoy 2014 (in colour) should be available for download in pdf form from the web-site (www.qeca.org.uk) in the near future.

We would still appreciate any news, information, articles, photos etc., about yourselves or colleagues. Please write to, or e-mail, Lyn Embling with any reminiscences, anecdotes or general interest articles for inclusion in Envoy 2015 and/or the website.

Committee

Please contact us if you are interested in joining the Committee or can help in any capacity. Meetings are usually held twice a year. Main contact details are on our web site and on the back cover of Envoy.

QEC Scarf/Shield

We have sourced and procured a limited number of QEC scarves and shields. Please see the separate advertisement for this unique opportunity to purchase these items (or view the website www.qeca.org.uk).

We do hope that you will stay in touch with the organisation and hope to see you at the Reunion in October.

Kind regards
Paul Ogden
